

# EVERLASTING

BROWS

DAY 1

OMG I'm in love with my Everlasting Brows.

DAY 2 - 4

I don't like this color, it's too dark.

DAY 5 - 7

My brows are scabbing and falling off.

DAY 8 - 10

My brows are gone!

DAY 14- 28

Thank you, my Everlasting Brows are coming back!

DAY 42

My Everlasting Brows are perfect after touch up, any unevenness is corrected and now they are complete. I'm in love!

*Now no more worries for at least 18 months!*
